# Blueprint® All In One 25

Product #68849

## Feeding Applications

For beef cattle on pasture

## Product Features

Blueprint All In One 25 is ideal for cattle at any stage of production, providing a complete mineral and vitamin package in addition to supplemental protein.

- Contains 25% crude protein and 4% phosphorus for cattle on medium- to lower-quality forages
- This premium mineral package provides essential macrominerals alongside the Blueprint advanced nutritional program, which features 100% Bioplex® organic trace minerals
- Features Bio-Mos 2® at the recommended rate of inclusion, optimizing the health and development of the animal's gut and improving overall animal performance

## Ingredients

Molasses products, monocalcium phosphate, dicalcium phosphate, processed grain by-products, urea, magnesium oxide, plant protein products, hydrolyzed vegetable oil, calcium carbonate, hydrolyzed yeast, zinc proteinate, manganese proteinate, copper proteinate, roughage products, cobalt proteinate, selenium yeast, vitamin E supplement, ethylenediamine dihydroiodide, vitamin A supplement, vitamin D3 supplement and mineral oil.

## Nutrition Information

Crude Protein (min)	25%
Crude Fat (min)	3%
Crude Fiber (max)	3%
Calcium	4% - 5%
Phosphorus (min)	4%
Magnesium (min)	2%
Potassium (min)	1.5%
Vitamin A (min)	150000 IU/lb
Vitamin D3 (min)	15000 IU/lb
Vitamin E (min)	400 IU/lb
Cobalt (min)	36 ppm
Copper (min)	336 ppm
Iodine (min)	45 ppm
Manganese (min)	472 ppm
Selenium (min)	8.8 ppm
Zinc (min)	990 ppm

## Usage Guidelines

**Placement:** Place containers in areas that achieve desired supplement intake.

**Relocation:** After acceptable intake levels are achieved, move containers to underutilized pasture areas to improve grazing distribution and forage utilization.

**Accessibility:** A minimum of two (2) containers may be necessary in each lot or pasture to ensure proper accessibility.

**Quantity:** Feed at the rate of one container for every 20-50 head (cattle typically consume 0.25 - 0.75 lb per head per day; mature cattle ~0.5 lb per head per day). Manage the number of animals per container to achieve a 0.5 lb. intake per head per day. One half pound of this product will deliver 4 grams of Bio-Mos 2.

**Monitoring:** Self fed consumption will depend on animal size, seasonal weather conditions, and the quality, source, and availability of other feeds.

## Additional Feeding Information

CRYSTALYX Blueprint All In One 25 supplement is designed for self-feeding to grazing beef cattle.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX BLUEPRINT ALL IN ONE 25 SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE.

CAUTION: FOR RUMINANTS ONLY. USE ONLY AS DIRECTED. Consumption of selenium should not exceed 3 mg per head daily.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

NOTE: CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.
