Blueprint® Goat-lyx® CNDN

Product #75791

Feeding Applications

BLUEPRINT® GOAT-LYX® block supplement may be fed free choice to all classes of goats when grazing native range, improved pastures or crop residues, and also is a suitable supplement for forage-based dry-lot programs.

Product Features

Blueprint®Goat-lyx is an 16% all-natural protein supplement that is specifically fortified for goats. It is formulated to provide the added nutrition for enhancing forage utilization and production measures for growth, lactation, reproduction and health.

Blueprint®Goat-lyx®is uniquely fortified with all highly bioavailable organic/chelated trace minerals and contains no inorganic trace mineral forms. Bioplex®organic trace minerals are more readily absorbed by the animal and instep with nature. The Blueprint product line is intended to provide optimal trace mineral nutrition to meet today's advanced animal genetic demands while protecting the environment from unnecessary over supply of less available forms.

Ingredients

A list of ingredients contained in this feed may be obtained from the manufacturer or registrant. This feed contains added selenium at 6.0 mg/kg

Nutrition Information

Crude Protein (actual)	16%
Crude Fat (actual)	4%
Crude Fiber (actual)	3%
Calcium	1.5% - —
Sodium (actual)	1.4%
Magnesium (actual)	1%
Potassium (actual)	2%
Vitamin A (actual)	220000 IU/kg
Vitamin D3 (actual)	55000 IU/kg
Vitamin E (actual)	440 IU/kg
Cobalt (actual)	20 mg/kg
Copper (actual)	200 mg/kg
Iodine (actual)	50 mg/kg
Manganese (actual)	550 mg/kg
Zinc (actual)	700 mg/kg
Fluorine (actual)	65 mg/kg

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake.

Relocation: Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization.

Accessibility: A minimum of two (2) containers in each lot or pasture may be necessary to promote consistent consumption.

Quantity: Use at the rate of one container for every 10-20 head of goats.

Monitoring: Goats will typically consume 28 to 113.5 grams per head daily, depending on weight of the animal, forage quality and forage availability.

Additional Feeding Information

CRYSTALYX® BLUEPRINT® GOAT-LYX® block supplement may be fed free choice to all classes of goats when grazing native range, improved pastures or crop residues, and also is a suitable supplement for forage-based dry-lot programs.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX® BLUEPRINT® GOAT-LYX® SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

CAUTIONS

1. Do not feed in association with feed containing supplemental selenium.
2. Directions for use must be carefully followed.
3. Do not feed moldy or contaminated feed as it can cause illness or death.
