Brigade® CNDN

Product #2929

Feeding Applications

Dairy Cattle - Baby calves, weaned calves and replacement heifers (45 days prior to breeding). Beef Cattle - Calves, show calves, stressed calves (weaned, receiving), replacement heifers (45 days prior to breeding) and cows (45 days prior to breeding).

Product Features

- Ideally fortified and suited for calves, show calves, stressed calves, replacement heifers (45 days prior to breeding) and cows (45 days prior to breeding)
- Naturally self-limiting, low-moisture block delivery cannot be bitten or chewed
- Elevated trace mineral and vitamin levels to safe guard against deficiency during the more physically demanding stages of production
- Highly palatable to consistently encourage consumption of minerals and vitamins under stressful conditions
- Contains BIOPLEX® organic trace minerals that provide mineral nutrition in a form as close to nature as possible
- BIOPLEX® is a registered trademark of [Alltech](#)

Nutrition Information

Crude Protein (min)	14%
Crude Fat (min)	4%
Crude Fiber (max)	3%
Calcium	2.3% - —
Phosphorus (min)	2%
Salt (min)	1.8%
Magnesium (min)	1%
Potassium (min)	2%
Vitamin A (min)	176000 IU/kg
Vitamin D3 (min)	35200 IU/kg
Vitamin E (min)	1760 IU/kg
Cobalt (min)	5 mg/kg
Copper (min)	500 mg/kg
Iodine (min)	25 mg/kg
Manganese (min)	2000 mg/kg
Selenium (min)	6 mg/kg
Zinc (min)	1500 mg/kg

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake.

Relocation: Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization.

Accessibility: A minimum of two (2) containers may be necessary in each lot or pasture to ensure proper accessibility.

Quantity: Feed at the rate of one container for every 20-30 head. Cattle typically consume between 100 and 340 grams per head per day.

Monitoring: Self-fed consumption will depend on the size of the animal fed, seasonal weather conditions, as well as quality, source and availability of other feeds.

Additional Feeding Information

CRYSTALYX BRIGADE block supplement is designed for self-fed feeding to calves, growing cattle, and mature beef breeding cattle fed moderate to high protein forages.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES.
