# Brigade® Stress Fighting Formula

Product #2961

## Feeding Applications

Dairy Cattle - Baby calves, weaned calves and replacement heifers (45 days prior to breeding). Beef Cattle - Calves, show calves, stressed calves (weaned, receiving), replacement heifers (45 days prior to breeding) and cows (45 days prior to breeding).

## Product Features

CRYSTALYX Brigade Stress Fighting Formula is a nutrient dense, self-fed supplement fortified with electrolytes, high levels of vitamins and minerals and chelated/organic trace minerals. This helps overcome nutritional stress associated with weaning, shipping, grouping and the breeding period.

- Formulated with stress events in mind
- High palatability entices and jump-starts calves to get on feed faster
- Nutrient-dense, with added protein, vitamins, macrominerals and electrolytes, as well as Bioplex® organic trace minerals

Crude Fat (min)	4%
Crude Fiber (max)	3%
Calcium	2% - 2.5%
Phosphorus (min)	2%
Salt (min)	1.5%
Magnesium (min)	1%
Potassium (min)	2%
Vitamin A (min)	80000 IU/lb
Vitamin D3 (min)	16000 IU/lb
Vitamin E (min)	800 IU/lb
Cobalt (min)	15 ppm
Copper (min)	500 ppm
Iodine (min)	25 ppm
Manganese (min)	2000 ppm
Selenium (min)	8.8 ppm
Zinc (min)	1500 ppm
Vitamin B12	0.5 mg/lb

## Usage Guidelines

**Placement:** Place containers near water source or feed bunks for calves, and in areas achieving desired intake for growing and mature cattle.

**Relocation:** Once acceptable intake levels have been achieved, move containers to underutilized pasture areas.

**Accessibility:** A minimum of two containers may be necessary in each lot or pasture.

**Quantity:** For calves, use 1 container per head individually or 1 per 3-10 head in groups. For growing and mature cattle, feed at 1 container per 20-30 head.

**Monitoring:** Self-fed consumption depends on animal size, feed quality, and availability.

## Additional Feeding Information

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES.

NOTE: CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper. CAUTION: Consumption of selenium should not exceed 3 mg per head daily.
