Copper (min)	500 ppm
Iodine (min)	25 ppm
Manganese (min)	2000 ppm
Selenium (min)	8.8 ppm
Zinc (min)	1500 ppm

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake

Relocation: Once acceptable intake levels have been achieved, move containers to underutilized pasture areas

Accessibility: A minimum of two containers may be necessary in each lot or pasture to ensure proper accessibility

Quantity: Feed at the rate of one container for every 20-30 head

Monitoring: Self-fed consumption will depend on size of animals, seasonal weather conditions, and quality, source and availability of other feeds

Additional Feeding Information

CRYSTALYX FESCUE-LYX supplement is designed for self-feeding to grazing beef cattle.

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX FESCUE-LYX SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE. NOTE: CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper. CAUTION: USE ONLY AS DIRECTED. FOR RUMINANTS ONLY. Consumption of selenium should not exceed 3 mg per head daily.
