ICON™

Product #66134

Feeding Applications

For weaned calves and feedlot cattle

Product Features

A Free-Choice Supplement for Beef Cattle

- Designed for breeding cattle development, weaning and starting calves, times of stress or increased nutrient demand
- Highly palatable, self-fed supplement providing 10% protein and 16% fat from a flax based source delivering omega fatty acids
- Includes Bioplex® organic trace minerals, which are more easily absorbed and bioavailable to the animal
- Formulated with a unique source of cobalt to facilitate more efficient utilization of roughages
- Features Bio-Mos® 2, optimizing the health and development of the animal's gut and improving overall animal performance
- Contains beneficial ingredients to help maintain feed consumption and water intake, and nucleotides that nourish natural cell growth and proliferation, which may be beneficial to body function and animal well-being

Product availability may vary by region.

Crude Protein (min)	10%
Crude Fat (min)	16%
Crude Fiber (max)	5%
Calcium	2.5% - 3%
Phosphorus (min)	1%
Magnesium (min)	1.5%
Potassium (min)	2%
Vitamin A (min)	200000 IU/lb
Vitamin D3 (min)	50000 IU/lb
Vitamin E (min)	200 IU/lb
Cobalt (min)	50 ppm
Copper (min)	400 ppm
Iodine (min)	30 ppm
Manganese (min)	1350 ppm
Selenium (min)	6 ppm
Zinc (min)	1200 ppm

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake. Move containers to underutilized pasture areas once acceptable intake levels are achieved.

Relocation: Move containers to underutilized pasture areas once acceptable intake levels are achieved.

Accessibility: A minimum of two containers may be necessary in each lot or pasture.

Quantity: One container for every 20-30 head. Consumption: 0.5 and 1.1 pounds per head per day.

Monitoring: Consumption depends on animal size, weather conditions, and quality of other feeds.

Additional Feeding Information

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX® ICON™ CONTAINS NO SALT. PROVIDE SALT FREE CHOICE.

CAUTION: Follow Label Directions. Consumption of selenium should not exceed 3 mg per head daily.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.

NOTE: CRYSTALYX® Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX® Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.
