# Mineral-lyx®

Product #7239

## Feeding Applications

Beef cattle and bison (spring and summer pastures).

## Product Features

CRYSTALYX Mineral-lyx supplement is a unique, nutrient-dense, palatable, self-fed mineral supplement designed to complement the mineral composition of grass or legume forages.

- A mineral supplement that is ideal for cattle consuming moderate- to high-quality forages
- Contains Bioplex® organic trace minerals, which are formulated to be more readily absorbed and bioavailable to the animal

Bioplex® includes: zinc proteinate, manganese proteinate, copper proteinate and cobalt proteinate

## Nutrition Information

Crude Protein (min)	4%
Crude Fat (min)	3%
Crude Fiber (max)	3%
Calcium	3.5% - 4.5%
Phosphorus (min)	4%
Magnesium (min)	3%
Potassium (min)	1.7%
Vitamin A (min)	100000 IU/lb
Vitamin D3 (min)	10000 IU/lb
Vitamin E (min)	100 IU/lb
Cobalt (min)	5 ppm
Copper (min)	500 ppm
Iodine (min)	25 ppm
Manganese (min)	2000 ppm
Selenium (min)	8.8 ppm
Zinc (min)	1500 ppm

## Usage Guidelines

**Placement:** Place containers in areas that achieve desired supplement intake.

**Relocation:** Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization.

**Accessibility:** A minimum of two (2) containers may be necessary in each lot or pasture to ensure proper accessibility.

**Quantity:** Feed at the rate of one container for every 20-30 head of mature animals. Cattle and bison typically consume between 0.3 and 0.75 pound per head per day.

**Monitoring:** Self-fed consumption will depend on size of the animals fed, seasonal weather conditions, as well as quality, source and availability of other feeds.

## Additional Feeding Information

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX MINERAL-LYX SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE.

NOTE: CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper. CAUTION: USE ONLY AS DIRECTED. Consumption of selenium should not exceed 3 mg per head daily.
