Stable-lyx® with ClariFly®

Product #51007

Feeding Applications

CRYSTALLYX Stable-lyx with ClariFly: a palatable fly control supplement for self-fed consumption by all equines, providing daily trace minerals and vitamins essential for maintaining horse health.

Product Features

Stable-lyx® with ClariFly® is specifically formulated for horses, this palatable, nutrient-dense supplement is designed for the daily intake of plant-based sources of protein, as well as minerals and vitamins, all in one convenient product.

- A combination of supplement hardness and added salt helps control daily intake levels
- Contains Bioplex® organic trace minerals, which are formulated to be more readily absorbed and bioavailable to the animal
- Features Yea-Sacc® yeast culture, which enhances fiber-digesting bacteria, supporting the fermentation of feeds and forages in the cecum
- Added biotin improves hoof health and durability
- Includes [ClariFly](#) to help prevent the emergence of house flies and stable flies from the manure of treated equine animals

Ingredients

Molasses Products, Salt, Plant Protein Products, Processed Grain By-Products, Hydrolyzed Vegetable Oil, Monocalcium Phosphate, Dicalcium Phosphate, Magnesium Oxide, Calcium Carbonate, Manganese Proteinates, Manganous Oxide, Manganese Sulfate, Zinc Proteinates, Zinc Oxide, Zinc Sulfate, Copper Proteinates, Copper Sulfate, Selenium Yeast, Brewer's Dried Yeast, Ethylenediamine Dihydroiodide, Calcium Iodate, Cobalt Proteinates, Cobalt Carbonate, Vitamin A Supplement, Vitamin D-3 Supplement, Vitamin E Supplement, Biotin, Thiamine Mononitrate, Choline Chloride, Roughage Products, Niacin Supplement, Calcium Pantothenate, Riboflavin Supplement, Menadione Sodium Bisulfite Complex, Vitamin B-12 Supplement and Mineral Oil

Nutrition Information

Crude Protein (min)	12%
Crude Fat (min)	5%
Crude Fiber (max)	3%
Calcium	1.5% - 2%
Phosphorus (min)	1%
Salt (min)	12%
Magnesium (min)	1%
Potassium (min)	2%
Vitamin A (min)	30000 IU/lb
Vitamin D3 (min)	5000 IU/lb
Vitamin E (min)	250 IU/lb
Cobalt (min)	8.8 ppm
Copper (min)	250 ppm
Iodine (min)	8.8 ppm
Manganese (min)	880 ppm
Selenium (min)	0.7 ppm
Zinc (min)	1320 ppm
Biotin	10 mg/lb
Thiamine	30 mg/lb

Additional Feeding Information

Provide CRYSTALYX Stable-lyx with Clarifly as a free choice source of salt and minerals for your horses. When used as directed, it will provide sufficient Clarifly to inhibit fly emergence from the manure of treated horses. Existing adult flies will not be affected. Start feeding this product early in the spring before flies begin to appear and continue feeding throughout the summer and into the fall until cold weather restricts fly activity. Allow free choice to horses.

Horses should consume an average of 1.2 oz. of this product per 100 lbs of animal body weight per day which is equivalent to 12 oz per day for a 1,000-lb horse.

1. Assure that horses are not starved for nutrients prior to feeding this block.
2. This product contains added copper. Do not feed to sheep and other species that have a low tolerance to supplemental copper. Do not use in association with feeds containing supplemental selenium.
3. Offer horses one CRYSTALYX Stable-lyx with Clarifly for every 15 to 25 head.
4. Remove all other self limiting nutritional supplements.
5. Locate CRYSTALYX Stable-lyx with Clarifly where horses congregate (watering, loafing, shade areas).
6. Replenish CRYSTALYX Stable-lyx with Clarifly on a regular basis as needed.
7. If intake of this block is below 1.2 oz. per 100 lbs. animal body weight for horses, increase the number of feeding locations and/or change locations to areas more frequented by horses. If intake of this block is above 1.2 oz per 100 lbs animal body weight per day for horses, reduce the number of feeding locations and/or change locations to areas less frequented by horses.
8. Introduction of this product after adult fly infestation is established may require treatment of horses with supplemental sprays to reduce the adult fly population coming from outside sources.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before use.

First Aid

IF SWALLOWED	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.
IF ON SKIN	Take off contaminated clothing. Rinse skin with water for 15-20 minutes. Call poison control center or doctor for treatment advice.
IF IN EYES	Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Call a poison control center or physician for treatment advice.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Completely empty wrapper. Dispose of wrapper in a sanitary landfill or by other procedures approved by state and local authorities.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below mean high water mark.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Emergency Assistance: Have the product container or label with you when calling a poison control center, doctor or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents) you may call Central Garden & Pet Company at 1-800-347-8272 24 hours a day, 7 days per week.
