Stable-lyx®

Product #7237

Feeding Applications

Equine - (Fed with moderate to high quality forages). Equine of all ages.

Product Features

CRYSTALYX Stable-lyx is a unique, palatable nutrient dense supplement designed for consistent self-fed consumption by all classes of equine.

- Specifically formulated for horses, this palatable, nutrient-dense supplement is designed for the daily intake of plant-based sources of protein, as well as minerals and vitamins, all in one convenient product
- A combination of supplement hardness and added salt helps control daily intake levels
- Contains Bioplex® organic trace minerals, which are formulated to be more readily absorbed and bioavailable to the animal
- Includes Yea-Sacc® yeast culture, which enhances fiber-digesting bacteria, supporting the fermentation of feeds and forages in the cecum
- Added biotin improves hoof health and durability

Nutrition Information

Crude Protein (min)	12%
Crude Fat (min)	5%
Crude Fiber (max)	3%
Calcium	1.5% - 2%
Phosphorus (min)	1%
Salt (min)	12%
Magnesium (min)	1%
Potassium (min)	2%
Vitamin A (min)	30000 IU/lb
Vitamin D3 (min)	5000 IU/lb
Vitamin E (min)	250 IU/lb
Cobalt (min)	8.8 ppm
Copper (min)	250 ppm
Iodine (min)	8.8 ppm
Manganese (min)	880 ppm
Selenium (min)	0.7 ppm
Zinc (min)	1320 ppm
Biotin	10 mg/lb
Thiamine	30 mg/lb

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake.

Relocation: Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization.

Accessibility: A minimum of two (2) containers may be necessary in each lot or pasture to assure proper accessibility.

Quantity: Feed at the rate of one container for every 3-20 head. Equines will typically consume between 0.25 and 3.0 pounds per head per day.

Monitoring: Self fed consumption will depend on the size of the animals fed, seasonal weather conditions, as well as quality, source and availability of other feeds.

Additional Feeding Information

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN FRESH WATER AT ALL TIMES. **NOTE:** CRYSTALYX Brand Supplements deliver a continuous supply of nutrients and are designed as a supplement to the animal's diet. When quantity or quality of other feedstuffs is limited, supplemental nutrients in addition to those provided by CRYSTALYX Brand Supplements may be required. In situations where additional nutrients are needed, contact your feed representative for specific recommendations.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper. **CAUTION:** Equines must be managed so that consumption of this block does not exceed three (3) pounds per head per day. Consumption of selenium should not exceed 3 mg per head daily.
