Sweet 14%® CNDN

Product #3854

Feeding Applications

CRYSTALYX SWEET 14% supplement is designed for self-feeding situations where beef cattle, sheep, goats and equines are grazed in common pastures.

Product Features

- Rumen-available protein helps to maximize forage digestion and optimize rumen fermentation
- Naturally self-limiting, low-moisture block delivery cannot be bitten or chewed
- Trace mineral and vitamin nutrition available 24/7
- Ideal for multi-species co-mingled on moderate quality forage

| Vitamin D3 (actual) | 11000 IU/kg |
| Copper (actual) | 17 mg/kg |
| Manganese (actual) | 140 mg/kg |
| Selenium (actual) | 4.4 mg/kg |
| Zinc (actual) | 300 mg/kg |

Usage Guidelines

Placement: Place containers in areas that achieve desired supplement intake.

Relocation: Once acceptable intake levels have been achieved, the containers may be moved to underutilized pasture areas to improve grazing distribution and forage utilization.

Accessibility: A minimum of two containers may be necessary in each lot or pasture to ensure proper accessibility.

Quantity: Feed at the rate of one container for every 20-30 head of cattle and equines, and 10-20 head of sheep and goats. Cattle and equines typically consume between 225 and 650 grams per head per day. Sheep and goats typically consume between 50 and 150 grams per head per day.

Monitoring: Self-fed consumption will depend on size of the animals fed, seasonal weather conditions, as well as quality, source and availability of other feeds.

Additional Feeding Information

ALL CONSUMPTION FIGURES STATED HERE ARE APPROXIMATE. PROVIDE FREE ACCESS TO CLEAN, FRESH WATER AT ALL TIMES. CRYSTALYX SWEET 14% SUPPLEMENT CONTAINS NO SALT. PROVIDE SALT FREE CHOICE. CONTAINS NO ADDED COPPER.
